

52ND TPM FACILITATOR'S COURSE

Confederation of Indian Industry

JIPM-Solutions Co.

21 - 25 April
2025
Chennai

AN OPPORTUNITY TO
LEARN, EXCEL, GROW
AND OPEN A WHOLE
NEW WORLD OF TPM
EXCELLENCE

BENEFITS to the ORGANIZATION

The programme would impart both knowledge and skills to introduce and support TPM at all stages of TPM development. The TPM approach followed in this programme is strictly in line with the JIPM methodology. Participants would be exposed to TPM through classroom training and case study presentations. The programme concludes with an examination that would qualify the participants as TPM Facilitators.

TAKEAWAYS

- Understanding and coverage of TPM Knowledge & its Pillars
- Importance of TPM with respect to today's challenges.
- Implementation of TPM from shop-floor to other departments (Step by step details)
- Lead in TPM methodology by organizing activities, giving training and become a guide
- Learning of different tools, techniques & processes for better productivity, higher quality to achieve Zero Defect & Zero Accident status

The TPM Facilitators Course has been developed in the TPM CLUB with a goal of developing such professionals in the companies who are practicing and initiating TPM. To understand, assimilate and implement TPM inside any organization, calls for a firm comprehension of the principles and methods of the various pillar activities, by the secretariat, since it is they who have to ensure a structured way of TPM implementation.

To cater to this growing demand, TPM Club India, has developed the FACILITATORS COURSE, focused towards middle, senior management members or Site Heads or the TPM Coordinators.

COURSE OUTLINE

- Case Study Presentation by Industry
- Designed to meet the need of the hour
- Course Material will be handed over During the Programme
