CALL FOR PAPERS

CII IQ is organizing an 7th CII National Technology Competition with a focus on improvements / kaizens on Productivity, Quality, cost, safety, Delivery, safety, environment improvements. This program will focus on various Technology initiatives done by the organization in various segments. This competition will also provide a platform for sharing and learning success stories by the competing organizations.

The kaizens should be based on product/service/ process improvement through technology change or new technology introduction. The change in technology can be in various areas of operations. Applicant can be from any type of industry. Kaizens/improvements should be applicable in existing product/services and/or improved/new products/services.

COMPETITION CATEGORIES

Manufacturing

Auto & Auto Components | Machine Tool Industry | Aerospace & Defence | Capital Goods | Electrical & Electronics Manufacturing | Heavy Engineering | Industrial Machinery & Equipment | Chemicals & Petrochemicals | Pharmaceuticals & Biotechnology | FMCG & Consumer Goods | Food Processing & Agro-based Industries | Textile & Apparel | Metals & Metallurgy (Steel, Aluminum, etc.) | Renewable Energy Equipment (Solar, Wind, etc.) | Precision Engineering & Components

Supply Chain & Warehousing

Logistics & Transportation | Warehousing & Distribution | Cold Chain & Perishable Logistics | E-commerce & Last-Mile Delivery | Inventory & Materials Management | Procurement & Strategic Sourcing | Third-Party Logistics (3PL) / Fourth-Party Logistics (4PL) | Port, Shipping & Freight Forwarding | Packaging & Handling Solutions | Demand Planning & Forecasting

Services Sector

Information Technology (IT) & Software Services | IT-Enabled Services (ITES) / BPO / KPO | Banking, Financial Services & Insurance (BFSI) | Healthcare & Hospitals | Hospitality & Tourism | Education & Training Services | Consulting & Professional Services | Retail & E-commerce Services | Telecom Services | Facility Management Services | Media & Entertainment | Government & Public Services

Scope of the Competition

Manufacturing: Production planning & scheduling | Machine efficiency improvement & loss elimination | Cycle time reduction | Product quality improvement & defect elimination | Breakdown reduction (predictive & preventive) | Automation, robotics & smart manufacturing | Energy efficiency & sustainability | Human fatigue reduction (ergonomics) | Poka-Yoke, Karakuri & Special Purpose Machines (SPMs) | Industry 4.0, IoT & digital manufacturing etc.

Supply Chain & Warehousing: Inventory optimization & tracking | Demand forecasting & planning | Warehouse automation & layout optimization | Logistics & transportation efficiency | Cold chain management | Supplier & customer integration | Lead time & cost reduction | Packaging & material handling improvements | End-to-end digital visibility etc.

Service Sector: Process automation & digital transformation | Service delivery improvement | Customer experience enhancement | Data analytics & decision-making | Workflow optimization & paperless operations | IT system upgrades & integration | Quality & compliance improvements | Customer comfort initiatives | Innovative service models across sectors

Common Focus Areas: Technology-driven improvements in Productivity | Quality | Cost | Delivery | Safety | Environment (PQCDSME) | Scalable & sustainable solutions | Adoption of AI | IoT | Automation etc.

Guidelines

- The duration of each presentation should be maximum 8 minutes
- The PPT can include videos /animations of the improvement done.
- The Idea sheet need to be submitted well in advance which will be scrutinized by CII Team before accepting.
- Max 3 people per team is allowed in each team.

AWARDS & RECOGNITION

- **Platinum Award**
- **Gold Award**
- **Silver Award**

FEE STRUCTURE

- CII/TPM Club Member INR 11,000+18% GST
- CII Non-Member INR 13,000+ 18% GST

Advance payment is mandatory.
