

LABORATORY INFRASTRUCTURE SENSITIZATION PROGRAMME

The Laboratory Infrastructure Sensitization Programme is dedicated to raising awareness and understanding of laboratory infrastructure among the professionals involved in the similar domain across government, conformity assessment bodies, industry in different sectors. The interactive programme, will aim to foster a deeper understanding of latest and upcoming QCOs, safety protocols, and best practices and technologies for the vital role of laboratory infrastructure in driving scientific progress.

The Programme will also provide guidance on the requirements and procedure of Laboratory Recognition Scheme (LRS) operated by BIS to recognize any laboratory in India or outside India for carrying out testing of samples in relation to conformity assessment. This scheme will cater to the needs of various conformity assessment schemes of BIS and helps to streamline the process for manufacturers while ensuring compliance with Indian regulations.

KEY OBJECTIVES

- Sensitization on upcoming Quality Control Orders (QCOs) issued as well as draft stage
- Discussion on compliance requirements to ensure laboratory standards and regulations
- Benefits of associating with BIS as recognized OSL under Laboratory Recognition Scheme (LRS)
- GAP analysis in testing facility regarding the requirements by Industry
- Discussion on Industry need about the laboratory facilities
- Awareness for Indian laboratory to adhere with the requirements for foreign certification

TARGET AUDIENCE

- Professionals from BIS recognized/NABL accredited Labs.
- Quality Assurance and Compliance professionals
- Professionals from Conformity Assessment Bodies (CABs)
- Managers from QI Framework
- Relevant Stakeholders

KEY BENEFITS

- Deepened understanding of latest and upcoming QCOs to facilitate robust laboratory infrastructure
- Gain practical insights into regulatory requirements related to laboratory framework.
- Network with industry experts, fellow enthusiasts, and potential collaborators to support continued learning and professional growth.
- Enhance your career prospects by acquiring valuable skills and knowledge in laboratory management.

Event Date: 13 March 2024

Venue : CII Institute of Quality

**2nd Stage, Bharat Nagar, Vishwaneedam Post
Magadi Main road, Bengaluru - 560091**
