

SENSITIZATION PROGRAM ON QUALITY CONTROL ORDERS (QCOS)

12 March 2024, CII IQ, Bengaluru

By Invite Only

The Sensitization Program on Quality Control Orders (QCOS) aims to enhance awareness among industry professionals and offer practical insights and guidance on the requirements of various QCOS, both upcoming and previously released. Tailored specifically for the Textile, Utensils, and Fasteners industry sectors, this program addresses existing gaps and key challenges to facilitate the smooth implementation of QCOS and promote a culture of quality consciousness within the Indian industry. This comprehensive program is designed to provide participants with essential knowledge and understanding of QCOS, ensuring compliance with regulatory standards and fostering excellence in product quality and safety.

KEY OBJECTIVES

- Overview and significance of Quality Control Orders (QCOS) for Textile, Utensils, and Fasteners industry sectors
- Understanding of regulatory requirements and compliance mechanisms for successful implementation of QCOS
- Best practices for quality assurance and strategies for enhancing product quality and competitiveness
- Importance of consumer safety and opportunities for international trade and market expansion

TARGET AUDIENCE

- Professionals and stakeholders involved in the textile, utensils, and fasteners industries
- Manufacturers, Exporters, Importers, and Industry representatives
- Quality Assurance and Compliance professionals
- Regulatory Compliance Officers and Managers from QI Framework
- Relevant Stakeholders

KEY BENEFITS

- Through interactive sessions, expert presentations, and case studies, participants will gain valuable insights into the importance of QCOS and their implications for the textile, utensils, and fasteners industries.
- Learn practical strategies for ensuring compliance with regulatory standards.
- Enhance their ability to meet customer expectations by ensuring public health and safety.
- Strengthen their competitive advantage in domestic and international markets
- Network with industry peers and experts to share experiences and insights
