

51st CII National *Kai-Zen* Competition

0900- 1700 hrs | 21-22 February 2025
Virtual Program

**Last date to submit Entries:
10th February 2025**

The CII 51st National Kai-zen Competition is a unique opportunity for teams to demonstrate their prowess in implementing operational excellence models and driving Kaizen initiatives within their respective organizations. Whether it's streamlining operations, reducing downtime, improving quality, or empowering employees, every endeavor towards perfection is recognized and celebrated.

Through this competition, participants not only showcase their achievements but also inspire and learn from each other, contributing to a collective advancement in operational excellence. From small incremental improvements to groundbreaking innovations, every effort counts in our quest for continuous enhancement.
